

Ms. Kimberly Ann Nielson

October 23, 1972 - May 20, 2018

Survived by her children Emmi and Andrew, and best friend Wade, Kimberly Nielson was a strong and radiant woman, who loved passionately and encouraged self respect at every turn in her life.

We honor her and recognize the precious ways she touched so many of our lives, in countless ways. She was a wonderful mother, a dedicated wife and dazzling homemaker, she was a true friend, and the most talented hairdresser you've ever seen.

On behalf of the family, we would like to say, thank you Kimberly Ann, for bringing so much laughter and pure love into our lives, for raising your children to be honest and compassionate people, and for showing everyone in your life that life is about more than money and success; that its about sweetness and beauty, and the little things along the way.

You are irreplaceable and will live on in all of our hearts forever. We love you so much, and we will meet again someday.

There will be a service perhaps later in the year, details will be given to family and friends at that time.

As for flowers and other respective gifts, please make donations towards cancer research, so that one day in the future, no one will have to suffer from this disease any longer:

“ *It's hard to put into words a favorite memory when my mind is being flooded with some of the best moments of my teenage years into my 20's.. I don't know that I would be the person I am today had Kim not come into my life at 17.*

I will love and miss her always❤️
