“ *Dear Wheeler Family,
Kirk will be missed greatly. I knew him only as a bussiness
associate while working in the construction industry for seven years.
He was always welcome and always offered a warm smile. My

“ I have known Kirk since elementary school. I always admired his optimism and attitude. I always resented that he had a better batting average than me. I'll never forget the ski trip to Utah, 4 of us crammed in his AMC Hornet. We had a terrible vibration at 55 which I eventually realized disappeared at 90. Sorry, about the ticket Kirk.

My thoughts and prayers are with family and friends. He had a lot of both.

“ Dear family and friends,
While growing up in St. Anthony, Kirk was a great friend and classmate. From our days at Silver Oak Elementary to St. Anthony High, Kirk not only knew how to have a good time, he provided encouragement to me through all of those difficult times as well. I have great memories of racing him on our bikes through Windsor Green, Golfing first at Brightwood Hills and then Gross, and all those school days.
I can only pray that my children are blessed to have friends that are of the quality and caliber of Kirk Wheeler.
May he rest in peace,
God Bless,
Steve

“ *Dear Kris and Family,*

*Today (Tues the 16th), at mass, I asked my parish (St Hubert) to pray for the repose of Kirk's soul and grant the grace that the family would need to get through the next few days. After mass, the priest privately conveyed his sympathy to my loss of a dear neighbor and promised additional prayers for Kirk and you. I will never, as long as I live, forget the special night (Dec 7) of caroling outside Kirk's window...150 people sending Kirk off with love to a place where he will no longer suffer. You are in my prayers. God Bless.

“ Dear Willard, Kris, and Family ~

My thoughts and prayers are with you especially during this holiday season. As the newest member of the Wheeler Hardware family, I regret that I wasn't able to work more with Kirk and get to know him better. Our office is full of lots of laughs and stories about him - everyone loved Kirk. Although we are sad at his passing, our hearts know he's pain is over. Even though I didn't know him well, I know OF him and the wonderful life he lived and the P.M.A. he spread wherever life brought him. Kirk's impact on life at Wheeler Hardware is everywhere. His spirit will live forever here. God Bless all of you. Peace be with you.

“ Kris and family, We are so sad at the loss of Kirk's bright light. His spirit, strength and love have touched so many. Sometimes life pays little attention to our wishes. It just comes. We are here left with great memories and the good stuff that will make us laugh out loud even in this very sad time. Always, always your girlfriends support is here, never on a schedule, just whenever.
We love you. Kath
