“ Dear Suzi,

I was so sad to hear about the loss of your Mother. She was a wonderful woman and always had a smile for everyone. For many years she was the "face" of MPA for so many people, including me and Jenny and Juya. She made a difference in many lives by her smile and kindness. I am so sorry for your loss. It is never the "right" time to lose your Mother. Please know that my thoughts and prayers are with you and your family.
