“ We worked together at Minnesota Housing and connected in a very special way. Krista had such a unique gift for making people feel better about themselves. The stories we shared about our dogs and all the love in our lives because of our pets are precious memories for me and inspired me to be a kinder person. I am so grateful to have known Krista and will never forget the sound of her sweet voice. She had a heart of gold, undoubtedly, a testament of your love and care for her. There will never be a day that I do not miss and think about Krista. She had the gentlest soul. I am truly jealous of heaven.

“ I have fond memories of going for walks with Krista. She would often bring me a small bouquet of flowers from her garden in a "found treasure" vase. When I think of her, I am reminded of her excellent sense of humor and ability to deliver the most clever jokes. May she rest in peace and may her friends and family be comforted during this difficult time. Holding you in the light.
