

## Kurt Robert Steinhauser

May 13, 1956 - September 14, 2008

Passed Away Sept. 14, 2008, at the age of 52. Kurt fought a 30 year battle with the complications involved with diabetes. Kurt was the son of Fredric R. and Joan F. Steinhauser (Lenertz). Kurt was born in St. Paul, MN., on May 13, 1956. He grew up in the community of St. Anthony Park where he attended St. Anthony Park Elementary and Murray Junior and Senior High Schools. He graduated from the University of Minnesota with a bachelor's degree from the College of Management. While attending the University, Kurt was a member of the University Marching Band and the University's Choral groups including performances with the Minnesota Symphony Orchestra. Kurt spent his entire working career in the ice area refrigeration field. He worked his way through the industry from equipment installer to a leader in the United States in the design and operation of ice area refrigeration systems. His career took him to several locations in Europe, Canada, Mexico and Arabia. Kurt is survived by his children, Myles Armin and Ashley Rose; parents, Fredric R. and Joan F. Steinhauser; two brothers, Mark (Leslie) and Paul (Meryl) Steinhauser; sister, Louise (George) Radle; nieces, nephews and friends. Private services have been held.
