*Thank you so much for posting this. I don't know what made me look this up, especially 7 years later...but I was his daughter and I appreciate you posting this. I don't have any stories of him and never really knew him so I don't know a whole lot and I wish I knew a little more of what he was like. Thank you for this!*

*I'm not quite sure why I decided to look this up, but Kyle was my dad and I wish I had stories of him. I never knew any of his friends from any time of his life and I wish I had so I could hear how he was like as a person. I didn't get to know him much growing up and I appreciate you posting this!*

“ Lazaretti Family. I am sorry to hear of the passing of Kyle. Kyle was my first boyfriend in third grade and I have very fond memories of running around Willow park, swinging, biking, playing Knox hockey and having fun being kids. I recently found some old elementary love letters from him. Kyle was a smart, generous and kind person. May you find comfort in his memories. Heather Lewis

*I have no idea why I was looking this up, but Kyle was my dad and I just saw this and I'm so happy you shared this. I never got to really know him and I never knew any of his friends or anything to hear stories about him from any point in life. This is so amazing and this made my heart melt. Thank you so much*
