“ First of all please accept my condolences to Robert and family. I feel compelled to share this story. I am helping out with the community clean up on Saturday, so I will not be able to attend the service. I wanted to read a story from the Sunday paper that my friend told me about, so I pulled the paper from my recycling and just read it yesterday. I was waiting for my friend in the doctors office and just by accident saw the obits. I saw Lavonne's name and thought I knew her 32 years ago and yes she was the most joyful person I have met in my life time. She at the time rode a motorcycle and worked at a car lot in Fridley. Back then I didnt even know where Fridley was? I remember riding out there with her to pick up her check. She took me on her motor cycle it was my first and only ride on one. I remembered that I had a picture of her in my photo album and still do to this day. I lived at home with my parents back then. I dont even remember how I met her but felt sad at times that we never stayed in touch. Peace be with you Lavonne. Maybe in another lifetime we will meet again. Sincerely Donna Johnson
