Lance Eugene Rouleau

November 6, 1971 - June 16, 2024

Lance passed away peacefully on June 16th with family by his side.

Lance was born November 6th, to Richard and Patricia Rouleau. Lance grew up in Brooklyn Park, MN, attended Park Center High School, and went to University of Minnesota - Duluth.

When he was younger, he loved being in plays and singing in the choir. He was the lead singer in a band Poetic Justice, which once opened for Limited Warranty. He loved to play many different sports, such as tennis, football, hockey, and baseball. Lance was a Camp Counselor and loved working/helping at Pikedale Lodge. Lance was a kind soul and would give you the shirt off his back if you needed it. Lance loved music! He loved being outdoors, whether it was in a canoe, on a bike, camping, fishing, 4-wheeling, or having a bonfire.

Lance and Cheryl went to high school together and were reunited in 2014 where their love story began. From there, they shared a house where they loved listening to music, dancing, playing cards, and being in the backyard

with their dog, Penny Blue - just being close to each other.

Lance is survived by his mother, Patricia, his love, Cheryl, brothers Todd (Maria) Rouleau and Robert Schimmel, nieces Jackelyn Ann Schimmel, Sarah Rouleau, nephews Chuckie Mayer, Richard Rouleau III, and Nicholas Schimmel, and many other family members and friends.

Lance is preceded in death by his father, Richard, and brother, Richard (Rick) II.

Lance loved his family and friends in so many ways. His memory will live on forever in our hearts.

“ I worked at Professional Color Inc. (ProColor) with Lance in the 1990s and will always remember his KIND ways. Lance was a searching soul—Our souls are restless O Lord until they Rest with Thee. May Lance’s soul have found the Peace and Mercy of Jesus Christ, Our Only Refuge.

“ I worked with Lane at ProColor in the mid-90’s. To find out about his passing saddens me greatly. He was an ebullient and joyful person and was fun to be around. My deepest condolences to his family and friends. The world is a darker place without him.

“ I am so saddened by this, my heart is broken. My Aunt Patti Rouleau is in my thoughts, my heart and prayers at this difficult time.

My cousin Lance was a beautiful person inside & out. He was so kind, caring, & loving.

One time my cousin Lance came over to visit me and my son Mason & brought a Christmas tree. It was the cutest tree, it looked like the Charlie Brown Christmas tree. He set it up, decorated it, we laughed & had so much fun together!

There are no words to lose someone so young & precious. I'm here for you Auntie, love you. 🙏📧
