“ I will always remember Larry as having a smile on his face, he loved garage sales!!!!My last garage sale in the neighborhood, he bought something and had to have Shelly pick it up, but he paid for it. When Shelly got home, she came to see his purchases. She didnt understand what use he had for whatever it was, and I told her they did not have to take it, I would give his money back,he insisted he had a use for it?? And good old Shelley carted it home for him, it is probably still in the garage. He has no limitations now!!! He will receive his reward for all the hardships he endured.. His battle is over, his victory is won!!! God Bless Larry, Shelley & his Family!!!
