“ *Kim, Kyle: My Name is Wayne Viger I graduated Blaine High School in 1988. I think back on the days in the wrestling room and your dad sparing with us and smile. His passion for our team and his relationship with the other coaches made memories I will remember always. I am sorry for your loss. Wayne*

“ *Larry made a positive impact on so many lives - mine included. It's hard to measure the impact someone has on your own life until that person is gone and no longer there to fill the void left behind. Thanks for being a positive role model in my life Larry. You will be missed!!*
