“ *Having known you as my brother in-law since September 1983 has been an honor. Even after Donna Marie passed away in May of 1989 you were still a family member to me. Loved the times we've been able to get together. Through the years Val has been an important part of my life also. I cherish the memories we've shared and know God had a better plan for you. I'm glad you're in his loving care; you've earned it. Janice Saenger and Gary.*
