“ Dorene, Janelle I don't think you remember me. I was that FAT person that was with Larry back in the early 70's. I talked to Larry back in 2005 and he told me about his stroke and that he had a son. I wish things could have been different as I truly loved him. FYI I weigh 120 now.

“ Dorene, Janelle am so sorry. I just now found out about Larry. 9/15/13. Larry will always be my heart and soul. There was Big Larry and little Larry though not related. John if you ever come to Duluth, please look me up, your father was a special person to me. I always truly loved him and wanted the best for him.
