“ Hello Cheryl. My hear-felt condolences to you. And all the wonderful family and close friends, who so much love you and Larry. As obvious by reading the many tributes posted here. I sadly realized how recently Larry passed, and due to cancer.

I enjoy many warm, happy memories of Larry and you. From those fun filled and learning curve years at Marquette National Bank, 1971 - 1977. In various ways, among the best of my 45 year career. In retirement now, with my wife of 27 years, once again living in MN. Am reading a Halsey Hall bio just now, my reminiscing went back to Larry. And Googled him, to see this sad timing.

*If or when you are up to it, I would be delighted to chat.

All the best, Jim Cox

“ *I'm Larry's cousin "Suzie." My most fun memories of the Pietrzak boys was Christmas Eve at their house when it was their turn to have it. Mind you, we were kids around 11-12. The boys were a couple years older. (except Davie) They would go down and steal beer from the Christmas fun the adults were having and bring it upstairs and we would all get to sip from it. My sisters and I thought they were the coolest guys!!! :) Still do!!*

I feel so blessed that I got to see a lot of Larry and his family at my mom's family reunions throughout these past 5 years. It was fun to laugh about those earlier years growing up.

I also feel blessed that I will get to see Larry again when it is my time to go to Heaven. He is probably having a great time with his dad, Uncle Ed and Aunt Marion, and mom.

Love and blessings Pietrzak family at this very sad and difficult time.
