“ Well God bless Larry.  
In the summer of 1965 we drove to California together for a fun road trip nad had such a wonderful time in the incredible USA. I was visiting from Ireland and was "adopted" by the Broker famil in Wayzata. What a great almost two years of my life. I went back to Ireland in 1966. Noe I live in beautiful Canada. Did not see Larry again - and I hope he has truly forgiven me by now for scratching his Dad's new red Chevy while pulling in for gas, in Nevada, I seem to recall:-)  
Remembering Larry with much fondness.
