

Laura Marie Zarembski

February 19, 1971 - April 4, 2026

Zarembski, Laura M.

Age 55 of Brooklyn Park, MN passed away with her loving family by her side of an unexpected health event on April 4, 2026. Laura was born on February 19, 1971 in Fridley, MN. She grew up in New Brighton, MN and graduated from Totino Grace High School in 1989. She then attended the Minneapolis College of Art and Design and received a degree in Design in 1993.

Laura worked at ProColor in Minneapolis, MN for many years until 2003 when she left to be a stay-at-home mom. She also did pro bono work and designed the annual program for the AirExpo Airshow - Wings of the North for several years.

She enjoyed sports and played softball, volleyball and basketball throughout her school years. Laura was very creative and a talented photographer as well as a lover of any kind of art or music. She enjoyed all music genres and attended many concerts with friends. Laura was always up for an adventure. She traveled to many places including Alaska, Hawaii and Italy. One of her favorite things to do was to go for long drives in her dad's car, "The Dupe." It was something that made her feel close to him. Laura was a fabulous cook and would name her turkeys and hams on holidays. She loved coffee - the stronger the better - and red wine.

Laura was strong, selfless and devoted to her family. She was a cherished daughter, sister, aunt, niece and friend, and a loving mother to her daughter Abbie who was the treasure of her life. She adored her little dog, Daisy, who showered her with many snuggles and kisses. Laura was her dad's girl. When he was ill, she stayed by his side to love and support him. She also spent the last year taking care of her mom through a significant health event. Even in death she was giving and will live on in others through the gift of organ donation.

Laura is preceded in death by her father, James Zarembski; her grandparents, Rueben and Florence Fritz, and Margaret Zarembski; her Uncles Dick, Loren and Ronnie; and her Aunt Judy. Laura is survived by and will be dearly missed by her daughter, Abbie Moran; mother, Renee Zarembski; brothers Tommy and Jeff; nephew Brendan (Faith) Mois; Aunts Barb, Kathy and Susie; and cousins, family members and friends. She was one of a kind and touched the hearts of so many. Heaven has gained a beautiful soul.

“*Laura was one of the sweetest, kindest and most loving people I have ever met. It has been my privilege to know her and to love her.*”

“*Back around 1997 when I started dating Jen, I knew I'd have to get approval from one of her closest friends, Laura. Luckily, it didn't take much because Laura always saw the best in people. Always ready to laugh and make somebody feel welcome, Laura was consistently the brightest smile in the room, willing to go on any adventure and make everyone feel included. After Jen and I moved to California, we loved when we'd reunite, either hosting her here or seeing her back in MN. I was also lucky enough convince Laura to partner up with me for a random volunteer job where her talents as a graphic designer were essential, but I think we spent more time laughing than actually working.*”
