“ You gave me hope as a child and stoked the fire that let me break free. You held me up and told me I deserved to be treated well. You taught me to take no shit from no man and that I was worth enough the way I was. You would buy me the expensive books that were formative in my development and taught me to think beyond what was in front of me. You taught me that a sharp tongue is the best weapon and to add intellect behind it only honed the edge.

I love you so much.

“ *Steven, Dave and family*
I am so sorry to hear of the loss of Laurie. We were best friends from junior high through high school and then life took us our separate ways. I have thought of her often throughout the years. May she rest in peace and may God Bless you as you grieve her loss

Laurie: We were the closest of friends all through junior and senior high. Then we drifted apart. I am so glad you found Dave and his family. Rest in peace my friend. Dave, I am so very sorry to hear of Laurie's passing. You had many years together. I know it was not enough though. Much love, Lori Sobrek (Willits)
