“ Aunt LaVerne and uncle Harley opened their home to me(nephew Tom) nearly 40 years ago now, when it was much needed and appreciated, when I was just starting my working career in the metro area, and for that and their families love and support at that time, I am very grateful. I am now recently retired and could not have done it without the support of you all. Miss you both, love Tom.

“ LaVerne always looked like she just stepped out of the beauty parlor. Her hair was perfect and I would call her a 'snappy dresser'. She was a very sweet lady. I'm sure there is a big hole in your hearts.
