May you live in eternal peace in Enther, LOVE YOU ALWAYS

Quiet as a Whisper

Quiet as a whisper, you silently slipped away.

We thought you were only napping to energize for the day.

But you were sleeping more deeply than anyone can wake.

And now we spend our days missing you and crying for your sake.

For such a sudden loss, there's just no way to prepare.

It's going to take a very long time to accept that you're not there.
