

## Lavon L. Billmeyer

January 29, 2013

No obituary found for this tribute.

# Tribute Wall

“ So sorry to hear of Bonnie's passing and regret I did not get up to see her. Bonnie and I became friends in Eau Claire when she and her family moved there when we were in the second grade. We walked to school with several other friends each day all the way through high school. Bonnie was a very kind and easy person to know, I know she will be missed by many. My best regards to her remaining family. Barbara Fagerlie Higgins
