“ I just wanted to tell you guys how sorry I was to hear of your loss. It must have been really shocking!

I'm sorry I couldn't come to her service; I had to work. I thought about all the fun we used to have when we were kids, and Ronny would come over to Grandma's, and the adults sat at the table while we ran around. Many fond memories of those days, and the time we spent together. I even remember the house where Apache used to be. Your mom always made us feel welcome.

Please know that you're in my thoughts and prayers; the first thing I thought when I heard of your mom's passing was that she is with Scott now. I know her faith was strong, and she knew where she was going. God bless all of you.
