“ Larry and Lee were always dear to my heart! They stood up for Dave and I when we got married in 1972!! Many nights of playing cards with them and when I moved back to Thief River from Florida after Dave passed in 2005 I stayed with them for a couple weeks till I found a place. Wonderful friends I will never forget!

“ I met Larry & Laura Lee Christmas Eve 1968, they were a part of my life from that day forward. Godparents to my oldest daughter & a special part of my life. I will miss them forever & a day but will smile when I think of Larry & Larura Lee. How blessed I have been to have these special people in my life. They are now together again as they should be.
