GH

“ So sad to hear of Leah's passing, John. She was always such a personal encouragement to me as a seminary student and aspiring pastor. I'll never forget that she crossed the river into Wisconsin to come to my ordination open house! Thank you, God, for Leah.

“ John, sorry to read about your loss of Leah. I remember talking with her when your youngest daughter was born and our daughter Amanda wasn't born yet-- what reassurance I got about being a father. I'd like to catch up with you for lunch sometime. Steve Brown (763) 213-7170
