“ *When I first met Leon in Minnesota we talked but briefly. When I ran into him a few years later in Nevada, I was in a tough period of my life. I Believe he sensed this and even though we didn't know each other well he said, "cmon man you and me are going to the Casino. He became the good friend when I needed one. A wonderful man . I'm so sorry for the loss of this young family member, Love Edward Duda*
