“ Good Morning Linda and family. Wanted to send my sincere thoughts to you all today, as I won't be coming to Lee's memorial. He was such an upbeat and friendly neighbor @ Hyland Hills South, it was wonderful to have met him when I was there. I really admired his enthusiasm and community spirit, that was contagious. He will be missed my many and I love the idea of "Lee's bench" @ HHS to reflect on what I believe he felt important - family, the out of doors, embracing life. I too, will always remember him. Fondly, Gale H
