“ A brother that was a go to person whenever I visited Minnesota and wanted to get together with the family living in the greater Minneapolis area. He and Jan never failed to have our family in his home for are reunions. In the last six months he took on the task of attempting to get me saved as he knew I was a sinner. He bought me a large print bible and sent it with instructions for reading and the ultimate requirements to be saved. He called me on a weekly basis to further guide my efforts. HE CARED. A true brother. He will be missed by all. Love and good journey. Wayne Seeley family
