

LeeAnn Marie Nelson

October 3, 1959 - July 18, 2022

LeeAnn Marie Nelson, 62, died Monday July 18, 2022 lovingly surrounded by her family. LeeAnn was born October 3, 1959 the middle child and only daughter of Roger and Marcia Nelson. Lee was a daddy's girl and shared his love of the Vikings and NASCAR. Marcia taught her to crochet, which she did for many years. LeeAnn lived independently for most of her adult life and worked full time at different factory jobs. Although she struggled at times to connect and understand, she managed to worm her way into the hearts of countless people! From bank tellers, to neighbors with pets, managers and coworkers, assisted living staff and house mates, LeeAnn was unapologetically authentic! We have heard many times over the years that LeeAnn was a "favorite!" She rarely missed a garage sale or an opportunity to hold and snuggle an animal. Her cats over the years were treasured pets, as well as the family dogs she HAD to visit on a regular basis. Preceded in death by her parents, Roger and Marcia; brother, Brian; and nephew, Tj. Survived by brother, Brad (Karin); niece Kirstin (Blake); aunts and uncles, cousins, and one great-grand-niece and one great-grand-nephew. There will be no formal service, but the family wants to sincerely thank the many who knew and loved LeeAnn. Those special people who responded with patience and love will be treasured by her family forever
