“ Good morning from southern MN. It is a beautiful day with a gorgeous sunrise to welcome us all. Your mother was a ray of sunshine in my life, in my children's lives and in so many other lives. I sure wish that I could be 2 places at one time, today. Hugs to you all as you celebrate the life of your mother and my friend. She was a special lady with a kind and loving heart. Blessed be her memory!

“ *Leena and I had so many good talks, walks, and sharing thoughts and memories. We seemed to have a lot in common from our upbringing (half a world away) to our beliefs. Missed her quiet sense of humor and expressive eyes. Hard to believe she is absent from this world, but present with the Lord. Much sympathy to each of you.*
