“ *Dear Wold family,
What a tremendous shock and loss to learn that Leigh has died in this tragic accident, and then to learn of Cecilia as well! Leigh has been a tremendous blessing to me and to our family, time after time after time, from the first time I met him and Joyce in September 25 years ago! All the memories of time with Leigh, working beside him, listening to his stories and his wise counsel, are good ones. Our prayers are with all of you as we join you in this time of grief. The hope of Christ sustain and comfort you.

“ Dear friends: We have just learned this morning of this tremendous loss. Dear brother Leigh -- and dear sister Ceci -- together! We can hardly believe that they are gone! Cindy and I stand with you in prayer. We grieve with you all. We lean with you all, somehow, toward Jesus...
