“ I worked with Lennes at NCR for many years. She was the life of the department. Loved her gift of story telling about her past travels. RIP Lennes.

“ Lennes will be missed. She had such a beautiful soul, anywhere she went she would brighten up the room. I'm so grateful to have met someone as amazing as her. You will always be in my heart, I love you Lennes. Like you have always said " You will always be with me wherever I go."

“ Lennes had such a beautiful soul. I had the pleasure of taking care of her at Cardigan Ridge near the end of her life. She was such a sweetheart and treated me as if I was apart of her family. I got very close to her in the past six months and I'll forever treasure the time I had with her. I love you Lennes!
