Leo Ford Glasgow

March 12, 2023 - April 22, 2023

Leo came roaring into the world on March 12 at 10:33 am, measuring 7.1 pounds and 19 inches.

He was immediately LOVED by many. Leo was the firstborn child to Ciara and Matt and the first grandchild on both sides. Mom and Dad shared an immediate and unconditional love with Leo. Leo was an easy favorite on the cardiovascular floor of Children's MN - Minneapolis, partly due to his sassy attitude, specifically the side-eye his nurses came to know, but primarily due to his warmth and cuteness that was seen by all.

He brought so much JOY to everyone that met him. Mom and Dad's hearts melted each time he opened his big blue eyes. It was his way of letting them know he was okay. Leo would do so many little things to make his parents smile, and each interaction was cherished.

The name Leo is the Latin word for Lion, and that's just who he was. Leo taught everyone so much about strength, courage, bravery, and, most of all, RESILIENCE. He showed that every day as he fought.

Leo passed peacefully and comfortably in his parents' arms on April 22 at 9:34 am. He was prenatally diagnosed with Hypoplastic Left Heart Syndrome (HLHS) and passed away due to post-op complications.

Each day he was here, he was told how loved he was, how much joy he brought to the world, and how resilient he was.

Everyone should "Live like Leo," a life full of LOVE, JOY, and RESILIENCE.

“ Matthew & Ciara,  
Words cannot express my heartfelt empathy.  
Leo is a lucky boy to have you as parents and you gave him so many gifts while you were together here on earth.  
I will not forget all of the joy I was able to share with you during the past year as you began your parenthood journey. Leo passed the morning of my birthday and I was thinking of him as I woke and was filled with peace.

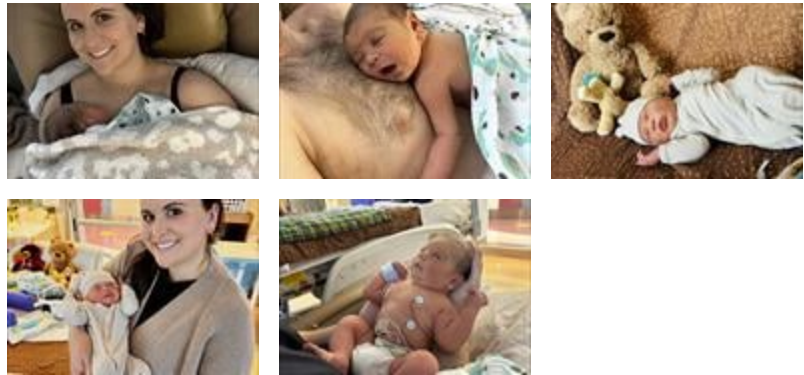

All my love,  
Claudia
