“ I remember returning to MN for mama's final days in 2016. Biggest thing i remember is leaving Charleston in shorts and stepping out to winter in MN! Yeah - that is how I knew it was MN winter time! Leo was kind enough to come up and spend some time with mama. I am going to admit when he walked in the door I was shocked, didn't recognize him, (hadn't been home in a long time) but the joy on mama's face seeing him was worth words in itself! He was so relaxed in mama's room conversing with my siblings and you could tell he was important to mama. The smirks on his face as he described working with his cousin Danny at DeZurik's (???) was precious. It was obvious Leo was just a down to earth guy just enjoying life and loved every one. My brother asked him if it wasn't difficult taking orders from Danny and again he just smirked and said "he's my cousin" like that was the only answer necessary. He will be sadly missed and my only regret is I never had the opportunity to spend much time with him beyond childhood! Blessings to his sister (Vicky) and brother (Johnnie) and may you find peace that Leo is home with his parents!

“ *After working together for 30+ years, I will miss Leo's smile and laugh with that index finger pointing and shaking at me. Our kids all worked here with him years ago and they still talk about him and value his freindship. We will all miss you here Buddy.*
