“ Served in the army with Leon. We went together on leave to Italy and Switzerland. Could not ask for a better friend. He was a great guy.

“ *Dad, I miss our nights out for dinner, ice cream and beer. I miss being able to pick up the phone and just talk to you. I miss the smile on your face when I would pick you up and you would ask "where we going tonight?" or "they got beer here?". I miss watching MASH and cartoons with you. I miss everything about you. Say "HI" to grandma and grandpa for me and send me a sign that you're ok. Love you dad. Barb*

“ *One could not ask for a more caring and loving Dad, Grampa and Great Grampa. Everything he did, he did for his family. I will miss you very much Dad*

“ I had the pleasure to work with Leon in the relay shop during my last year at Xcel Energy before I retired. Leon was the best board level trouble shooter I had ever seen. I loved to listen to his stories about all the different jobs in electronics he had done. Leon was proud of his family and would talk about them often.

Thank You Leon for your friendship!
