“ I have thought about you so much! You always protected me even though I was the black sheep to everyone else. You accepted my daughters as your grandchildren and words cannot explain how much I miss you. You were my dad, blood couldn't make us any closer. I miss you so much, I can't wait until we meet again. ❤️❤️❤️

“ I worked with Len only briefly at Honeywell, but he left an indelible impression of kindness, competence, and humor on me. I really enjoyed getting to know and learn from him in the months we were teammates. I'm so sorry to hear of his passing and my heart goes out to his friends and family.
