“ My family want to send our most deepest sympathy to you Larry and your entire family. You will be deeply missed even though it has been several years when I last saw you. You and your sibling were all still in school and I used to work with your dad years ago. Your parents were very proud of all their children. God Bless everyone and Larry may your soul RIP!

“ Pup,
I want to send my most deepest sympathy to you and the entire Pupkes family. God called Larry to be with Him too soon. It has been a lot of years since I have seen Larry but I remember him to have such a good heart and a gentle soul. As you all gather together, I hope the memories of him you share together bring you comfort and peace.

*Sincerely,
Marcia Meredith*
