“ *Cathy: Lennie kept Mary Lou and I out of trouble with the IRS for a minimum of 40 years. What are we going to do now without him? Our prayers and thoughts are with you at this time...he was a great guy and a talented CPA with a wonderful sense of humor. He'll be sorely missed by us as a business asset but most of all as a wonderful friend. I am sorry we are out of the City and not there with you and the family.*

“ *My deepest sympathies to all of you during this very difficult time. Len was a special person and he will be missed by many but I know that the many wonderful memories that you have will keep you going. I worked for Dr John Hinding. Len and I would go to lunch together.*
