“ I met Leroy and Marge in 1975 when I was invited to their home by my dear college friend, Vicki! Since that time, Leroy and Marge have always welcomed me with open arms and hearts to their home and lives.. if I am doing the math correctly, that is 38 years!

Leroy was one of the most gentle and kind persons I have met. His wining smile, quiet spirit, non assuming attitude was a lesson in patience and an extension of Christ's love. The respect his children and grandchildren had for him speaks volumes for him..

Marge and family, may you be comforted in your grief and loss of a wonderful husband, father, grandfather and great grandfather!! And to the rest of us... a friend!

Love to you all,
