MS

“ Lee is remembered by all of us as such a sweet and thoughtful man. ALWAYS, took the time to ask about each of us (including the children) and what we had going on in or lives. I can see him smiling and nodding as he listened. That made us feel valuable. Too young to lose such a kind and loving man. Praying comfort and grace over you all in your grief.

“ Remembering the times at maddens on gull lake. Adults out golfing and us kids out fishing. God bless.
