“*Mary and family, I was so saddened to hear about LeRoy's sudden passing. He has been a dear friend since grade school in Nashwauk. Ken and I enjoyed our last get-together with the two of you last summer. We were really looking forward to seeing you again around the 4th of July this summer. I will cherish my memories of LeRoy and getting to know the 'love of his life' better. You and your family will be in my thoughts and prayers. He was taken from this life much too soon which makes all of us want to hold those we love closer. Though we didn't see each other as often as we should have, we will miss him. Take care of each other and know someday you will be together again. Jeanne Ricker (Ken,too) Class of '60*

“*I have known LeRoy all my life and will always remember him as a gentle soul. When he'd visit his grandparents on 4th street we'd sit on the front steps and talk. He contacted me on FB a few years ago and we reconnected after all these years. He was a special person. My condolences to you, his loving family. Patti Legueri Williams*

“ *Mary and family. this is so sad. I am glad I was able to spend an hour with him last week. we shared stories and had some laughs, like we always did. I will miss him as a friend and good person, who always talked about how his grandchildren were into hockey and other activities. I tried to remember how long we have been friends. we met at work in the 70's, so we go back a long ways. It's Hard to believe he would leave so suddenly. Sharon and I will keep him and your family in our prayers.*

“ *I worked with Leroy for many years at FMC and it was there we became friends. We would talk about his love for sports and about anything else that was happening at the time. He was truly a wonderful person that will be missed. My prayers go out to the family of this wonder friend.*

“ I will always remember Leroy.....a great friend, an old friend. He was always around the Marinoff house or a member of our family was always at his house. Leroy was always talking about his family whenever I met with him. Daughter, Son, Grandchildren, he enjoyed them the most. This is a sad time for the Lueck family, and it also brings much sadness to my brothers and me. We will miss Leroy.
