“ I am so sorry to hear of the passing of "Roy" I lived right next door to Roy and His wife from 2001-2005 and Roy and I would often talk as he took breaks from mowing the grass in his yard. He often complimented me on all of the good work someone (Me) was finally doing to that house. He was a proud man, who loved life and spoke of his kids and wife every time I spoke with him as we leaned on our backyard fence. Roy definitely left a mark on my life, I often asked Kris (Phelan) of how he was doing after I moved away. I thought alot of that man. He always had a story for everything, maybe not always the most censored, or clean but he was a man that always put a smile on my face and had an infectious smile and laugh. He will be missed greatly. My heart goes out to his Wife Mary, all of their kids and their entire family.
