“ Dear Whit, Holly and Clayton,
I am so sorry to hear of your parent's deaths. While I never read the obituaries, I was drawn to glance at last week's paper and was so surprised and saddened to see your mom died. I've been so curious about you and your family for a long time, hoping you've been happy and healthy. I have such nice memories of your mom and you. Please don't hesitate to contact me. My very best wishes,
Cheryl
