“ I will always remember the long phone calls I'd have with grandpa Beanie. Never a dull moment. Spent lots of time talking about every building he built when he was in the union twice over. And the amazing Bowl cuts he would give us kids when younger. Never forget such a lovely man of wisdom. Love you Gramps. Big Al

“ Uncle Bean was a one of a kind. I remember many late nights playing Bingo with him and my dad. He always had such a great sense of humour and had my laughing most of the time. He will be missed dearly. It is only comforting to know he is in heaven with some great company.

“ He was always called Obie by family, and was loved by everyone. He came to stay with our family when he came out of the service. I was about 9 or 10 yrs. Old. I thought he was the most handsome man I had ever seen. He brought gifts for the family when he came back. We were always excited when he and family came to Tennessee to visit
