“ You left us way too soon, Leslie, my forever friend. For 46 years we've been making each other laugh - ever since that first day at Northwest's training class. What a joy you have been in my life. You were a joy to everyone that knew you and I will carry all my special memories of you with me forever.  
My prayers to JoAnne and all of Leslie's many friends. How blest we were to share your journey.

“ How blessed I have been to have such a loving and caring cousin. When I was struggling, she went out of her way to listen, offer advice and pray for me. I know her love for the Lord has helped her to make it through these last days. I will miss you Leslie!
