“ *Whenever things gets difficult I hear your voice in my head telling me to, "Look on the bright side..." I must admit it's a bit hard to do at the moment, but I will strive every day to live up to the hopes and dreams you had for me. I love you Dad, you will be missed.*

“ Leslie was a very caring and positive individual with a great heart. We would talk about his days in the Navy and my growing up as a Navy brat. He cared about his career and his Team and would always work to make the team better. Leslie will be missed and my heart goes out to his friends and family.

“ Our thoughts and prayers go out to you in this time of sorrow. He enriched the lives that he touched, we will miss having him over for dinner and cards, and while camping. He was like an adopted uncle to our girls.

He was always genuinely happy to see people and loved conversation; that's my memory of him here at work. No doubt you all have so many more fond memories of him that I hope you all will treasure. May the grace of God go to your family in this season of much sorrow.

“ Just devastated to lose him! We had many hours of interesting conversation. The Whetham was strong with us. He came to every family event he could and spent a lot of time fishing with my dad, his uncle. He will be greatly missed by the entire family!

“ Little Brother I will miss our weekly conversations! From politics to finance I already miss our gentle sparring. Not to mention our card games that I am sure you bid with nothing to back it up. Love you and miss you already.
