“ Lianne was always a pleasure to be with. No matter what issues she herself may have been having, she always focused her attention on the people she was with and how things were going in their life. She will be fondly remembered, and we are honored to make a make a donation in her name to the Myasthenia Gravis foundation. We are taking care of grandkids in Fargo over the Labor Day weekend and so won't be able to join in at the funeral or visitation in person.
