“ Dear Bob, dear Mike, dear Cathy, dear Kirsten, dear Rob, yesterday Anne and I received the sad shocking news. They made unwind vividly in my mind many memorable scenes and events, a lot of cherished moments. There are so many valuable memories of Lila since I first stayed with your family in the seventies. I have deeply respected and adored Lila, her helpfulness, her brilliant mind, her independent thinking, her dauntless and brave attitude, her humor and her great great heart. Lila and you have had an important influence on my life, and, as it goes with personal encounters that coin your life, you still have. I dearly miss my American mother. Hopefully I can pass on some of what I have learnt from her to our children.

My and Anne's thoughts are with you
