“ So many memories, where to begin? Auntie lil was my only aunt I really had a relationship with. I loved her excitement for life, always a twinkle in her eyes of happiness. Growing up and uncle Stan and auntie lil coming up north for hunting and staying with our family was a big thing for me as a child. I always looked forward to that aluminum cake pan to see what great cake it was this time! They were just cake mixes but were always a new flavor. Enjoyed listening to the previous year and all the happenings with her family and all my cousins with pictures to go along with every story, her gift wrapping, a definite signature of my auntie lil. Her incredible artistic talent was amazing from gardening, seamstress, cooking and photography. Auntie made a huge impact on the person I am today in so many ways. I loved my uncle Stan and aunt lil! And will always cherish my memories. I won't make the funeral, which makes my heart sad but we know auntie is dancing in heaven! Love to all my cousins, Paul, Dori, Deanne, Dan, and families!
