“ We will never forget all of the times Linda made trips to Fargo-Moorhead for funerals, weddings, pool tournaments and so many other occasions and events! There are countless occasions and so many to name. In the last 3 years she came to our youngest brother Jim's funeral, sister Barb's Funeral, brother Ron's funeral, his wife Gloria's funeral! She did this while being sick and suffering with her own illness! Never complaining! Always laughing and joking trying to make every one else feel better! Her love and caring for others was so great and appreciated so much! We cannot express enough what that meant and we all love her and will miss her so much!
