“ I remember all the time Linda and I had as Stampin' Up! demonstrators- trip to Convention in Las Vegas, all the meetings with other demonstrators. After Linda became one of my closest friends as a customer and sharing card creation ideas. Before she moved to AZ we'd meet at Panera having coffee and bagels. I miss those times a lot and we just talked about those fun meetings the last time we spoke the week before she passed. I miss her but will remember her as a dear, close friend! I know she's in heaven from our discussions of Faith! Rest in heavenly peace dear friend. Watch over me and my creative card making. Inspire me! 🙏

“ Linda and Curt lived across the street from us in AZ. She and I had many wonderful conversations on their porch with lots of laughter when our husbands enjoyed running their remote control trains on Tuesdays. Linda had a great eye for fashion and wore beautiful clothes. She loved home decorating and their home showed it. Linda was a lovely greeting card maker. I always admired and kept cards she gave me. I will cherish them with great memories of the “Good Times” . We will miss her. May Linda rest in peace.
