“ *Dear Family and Friends of Linda Miller,
As a volunteer, I visited Linda every Wednesday at Ebenezer Care Center. Because of COVID, I've been sending a card to her weekly instead of visiting. I was saddened to hear of her passing.*

While at times limited in communication, she expressed her great love and appreciation for her family. She loved chocolate, clothes and television. She had a great sense of humor, warm presence and beautiful brown eyes. She took an interest in my family as I would show her pictures of them. I considered her as a dear friend of mine.

Please accept my deepest condolences to all who knew and loved Linda.
