“ I was sorry to hear of Linda's passing and will miss her at our workplace here in St. Paul. We sat next to each other these last several years and I was a grateful recipient of carmel corn and various chocolates many times. Linda had a wonderful sense of humor that I enjoyed and we had many good laughs together. She was a lovely person to have known.

“ I am very sorry to hear that Linda passed away. She was a kind hearted lady. She often times brought lovely desserts into the office to share with other people. Linda like to laugh. I often times heard her laughing about something over the cube walls. She will be sadly missed. Blessings and gentle comfort to all of those who were close to her.

“ Please accept my most sincere condolences on the loss of your Mother/Sister/Aunt/Grandmother.

Linda was a wonderful person to work with and always available for spirited discussions on a variety of topics. Linda was always a supporter for fundraising like Wreaths/Popcorn and Cookie sales when my kids were younger, and often asked how they were doing as they got older.

I was saddened to learn of her passing, and wish for you peace as you share cherished memories of Linda.

“ We send our thoughts and prayers for Linda. I cherish my childhood memories going over to the Gunderson's family home to get rides to confirmation with Linda. Her sister, Sharon, always shared wonderful stories. The whole family intertwined with ours and we had a very special time growing up together.
